## July 1965

period from 23rd June, the date of our last Annual General Meeting, until today as far as you will know, our financial year ended on the 31st December 1964.

ial practice we appoint two buyers each year. For the year ended December 1964 our enstein and Dr Kenneth Marsh. They spent the allotted sum of £4,500 and bought thirty- or the current year were Mr Eardley Knollys and Mr Eric Newton. Mr Newton who had imittee since 1951 died in March. Mr Newton made a very great contribution to the world d most delightful member of our Committee. We shall all miss him very much. Mr Peter wton as our second buyer for this year.

ed to our buyers, we have bought works from our exhibition "British Sculpture in the Anthony Caro, Anthony Hill, Bryan Kneale, Mary Martin and Gillian Wise. The total cost ed the Whitworth Gallery with a grant of £140 towards their purchase of a large Brian Wall.

2,000 to the Tate Gallery towards the purchase of the magnificent Picasso, £270 towards / Barbara Hepworth for the National Gallery of New Zealand, £100 to the Wellingborough the new John Piper Window, £75 to the City Museum and Art Gallery, Plymouth, as a urchase of a Robert Medley.

we have had a very busy time in many ways. From July 17th until August 8th we were lent the Arts Council's Galleries for an exhibition of our recent purchases and some of the Middup Bequest. We like to arrange these exhibitions every two or three years to enable minate the works they would like to have for their own permanent collections. These ood opportunity for members and the interested public to see what we have bought.

ution to Galleries which has totalled 135 since our last meeting, we loan pictures on a ities, and many other institutions. The increase in demand during the last year has been

ening of the Recent Acquisitions Exhibition we had a preview party for members and their ed the atmosphere of 4 St James's Square enormously. It was a most successful evening o the Arts Council.

nd their guests were invited to a special evening viewing of the Miro Exhibition at the Tate arranged by Miss Pauline Vogelpoel and was successful.

th October to 1st November we had our first and most enjoyable trip to Cornwall. Fifty of s in and around St. Ives. The Penwith Society arranged a delightful evening party at its e to view works by its members. Barbara Hepworth allowed us to visit her studio where we ed to tea and were given the opportunity of seeing her wonderful work both in the studio and his wife also generously entertained members for drinks and picture viewing and the ouse at Zennor.

proved a great success and has led us to hope that we may be able to organise other at are interesting and not too inaccessible.

we gave an evening party in honour of the Peggy Guggenheim Exhibition which was much who were also thrilled to have the opportunity of meeting the great Peggy Guggenheim in

d the preview of our exhibition "British Sculpture in the Sixties". This was probably the

most difficult exhibition we have ever attempted particularly in terms of organisation. We were greatly honoured that Her Royal Highness Princess Margaret was present at this occasion and more than seven hundred of our members and their guests.

I would like to thank and congratulate Burton, Ahrends and Koralek, the architects who showed such imagination and originality in their installation of this fine exhibition, also the many people who so kindly helped us, in particular the Pieter Stuyvesant Foundation whose most generous grant of £2,000 made the whole thing possible. 23,350 people paid to visit the exhibition and we sold over 9,000 catalogues – as far as we know this is a record for any exhibition of sculpture in recent years.

Our Architectural visits this year have proved interesting, worthwhile, and well supported. On March 27th we were privileged to be able to visit the new Royal College of Physicians where Mr Denys Lasdun, the architect, and Dr Bamford, the Treasurer of the College, met the members and answered their questions. The visit to the new Economist Building on May 4th was also most interesting and we are grateful indeed to Sir Geoffrey Crowther and all those concerned with making both these visits possible. On May 1st Mr Turner kindly allowed members to visit his most interesting collection in Hyde Park Gardens Mews.

Gallery owners have been very kind to CAS members this year. We are grateful to Mr Eric Estorick, of the Grosvenor Gallery, Miss Erica Brausen, of the Hanover Gallery, and Mr Philip Granville, of the Lords Gallery, for most entertaining and interesting special evening viewings of important exhibitions.

During the year we accepted with great regret the resignation of Mrs Parker who has been a very useful member of our Committee. Also Mr Raymond Mortimer who had at one time been a most illustrious Chairman.

At an Extraordinary General Meeting held immediately before this meeting certain resolutions were passed which will ensure that members of your Committee will automatically retire in rotation in order of seniority. Any members retiring in this way may be re-elected after one year.

At this meeting, therefore, we must note with regret the retirement by rotation of Sir Colin Anderson, who as our Chairman for many years has been so closely associated with the work of the Society. I would like, with great respect, to thank Sir Colin on your behalf for his outstanding personal contribution.

I have also to report with much regret the retirement by rotation of Sir John Rothenstein who has made an important contribution to the work of the Society, and during his many years as Director of the Tate was a very sympathetic host.

During the year Mr Loraine Conran who was our very efficient Hon Secretary felt it necessary to resign from this position due to the heavy calls on his time as Director of the Manchester City Art Gallery. Mr John Sainsbury has kindly accepted this responsibility.

In accordance with Article 33 we co-opted Mr Norman Reid, the new Director of the Tate, to our Committee. Apart from receiving the benefit of Mr Reid's wise advice, I feel sure that this will help us to maintain the very excellent relationship which has existed with the Trustees of the Tate Gallery for so many years.

Our grateful thanks are due to Miss Pauline Vogelpoel, MBE, for her splendid and efficient work during this year of great activity, and also to her hard working Assistant, Mrs Wren, who has spared no effort in our interests.

As you will learn from the Hon Treasurer's report our financial position is good. However, your Committee is not satisfied with the growth of membership, and I hope each member will do everything he or she can to help us to expand and thereby extend our ability to make an even greater contribution to the development of Contemporary Art in this country.

## 's Report July 1965

it shows a deficit of £522, but I am glad to say that this is more than counter-balanced by edited direct to the Accumulated Fund in the Balance Sheet. This arises from the sale of lup's house, which I referred to in my report last year.

ie, the various items do not show a great difference from last year, except of course that we al profit which we made on our Exhibition. Our Subscriptions, I regret to say, dropped for years. This is due to a levelling out process following the introduction of the higher rate, in ually getting new members, some old ones are failing to renew their covenants when s year the balance will fall the other way.

to which I should draw your attention is the proceeds of our parties. For the first time I ing the sales of tickets and expenses, from which you will see that the overall profit was t. This is much too fine a margin and in any event is largely due to the Far East trip. Other ir way, and this explains the increase in the price of tickets which we instituted a few ow has caused some members concern.

r allocation to Buyers for the year was increased from £4,000 to £4,500 and, after including various adjustments, the amount shown in the accounts for expenditure on Works of Art n the record figure for 1963 but still something we can be proud of.

by about £200 to £2,753 but this is largely due to the non-recurring item of printing a new

119 on the Recent Acquisitions Exhibition. The cost of transporting and hanging our derable but it is impossible for our subscribing galleries to exercise a proper choice in our his expenditure is essential for us to carry on our prime purpose.

1964 resulted in our assets increasing by over £800 and £4,800 worth of worts of art, ibuted to museums throughout the Commonwealth. In view of our modest resources I am at this is not unsatisfactory.

**Report of the Auditors to the Members of the Contemporary Art Society**  
We have examined the foregoing Balance Sheet and Revenue Account and have obtained all the information and explanations which we considered necessary. In our opinion proper books of account have been kept by the Society and the Balance Sheet and Revenue Account, which are in agreement therewith, comply with the Companies Act, 1948, and respectively give a true and fair view of the state of the Society's affairs at 31 December, 1964, and of the deficit for the year ended on that date.

## The advantages of signing a Banker's Order

### For you

You do not have to send your subscription each year – your bank does it for you. You do not risk failing to get invitations to parties because your subscription is overdue.

### For us

We get your subscription promptly which may avoid our paying overdraft charges. We save the time, trouble and expense of sending you a reminder.

## What is a Deed of Covenant ?

It is only a formal promise to pay your subscription for the next seven years. But it means we can get back almost as much again in tax from the Government.

**Please complete both if you have not already done so**
