Boucheron, Place Vendôme, Paris

Be part of an absolutely unforgettable design-focused day trip to Paris in November, hosted by the Contemporary Art Society and Boucheron. Departing on Eurostar on the morning of Friday 15 November 2013, an intimate group will have an inspirational bespoke VIP programme. This will include an exclusive visit to Boucheron's atelier in the Place Vendome, the first jeweller of Place Vendome, founded in 1858 by Frédéric Boucheron. The group will be met by Creative Director, Claire Choisne. We will then visit one of the leading couture museums in Paris for a behind the scenes, private curator-led tour.

Boucheron's involvement with Contemporary Art Society has allowed the Maison to continue their work with the arts, something Frédéric Boucheron was passionate about.
